I sing the goodness
of the Lord,
who filled the earth
with food,
Who formed
the creatures
through the Word,
and then pronounced
them good.
Lord, how Thy
wonders are displayed,
where'er I turn my eye,
If I survey
the ground I tread,
or gaze upon the sky.

Isaac Watts

The **law** of the **LORD** is *perfect*,
converting the soul: the
testimony of the **LORD** is **SURE**,
making **WISE** the simple.

South Africa

Greetings from Ladybrand, South Africa! The weather is getting pretty hot, making it feel more like summer than spring to us coming from Russia. It may sound a bit unusual for you, but as you are getting ready to celebrate Thanksgiving and Christmas, we are getting ready to finish our 2015 school year. Besides regular classes, the students are busy practicing for the special "end of the year" program in which they include a variety of songs and a Christmas pageant. Every one has a part in it. We know that God will play His part in it too, and we pray for His help and guidance at this important time of the year.

Please pray for the school as we come to the end of the year because it is facing some transitional challenges, and we need God's direction for the future.

In our last newsletter we asked you to pray that God would provide a vehicle for us. We praise God that He has! We bought a 2007 Subaru Outback with only 35,000 miles on it. When God answers prayer, there is always a little story behind it... but to make it short, we did not expect that we could find a car in such excellent condition because many roads are pretty bad, and most used vehicles have pretty high milage. In this case the person who traded it in had a handicapped child who could not easily get in and out of this car any more, and they exchanged it for a van. There was nothing wrong with the car. We thank God for answering the prayer.

Thank you for joining with us in this work in South Africa. We pray that God will richly bless you!

In Christ,
Valera, Maude, Zarina, Alexander
